

For the requested move we discussed this week, we can offer the following:

Telescope Enclosures (steel and fiberglass)

Sydney (PORT) to Oakland (PORT)

\$2200/D40 & H40

**Rate subject to the following surcharges:

FAF USD \$75/40

SEC USD \$6/40

DDC USD \$580/40

OTHC AUD \$191/40

EHC AUD \$35/40

PSC AUD \$101/40

GST AUD \$14/40

ODOC AUD \$50/BL

This would bring your total per container charges to \$2861 U.S. dollars and \$391 Australian dollars.

Thanks again for considering APL for your shipping needs. Along with the rates attached, I am proud to offer you the best customer support team in the industry, online bill of lading print out, competitive transit times, and Homeport - a web portal designed to allow you to better manage your ocean transportation services. I am confident that APL can provide you with the services you deserve.

Please call if you have any questions or concerns.

Best Regards,

Drew Millburn
